QUALIFYING EXAMINATION COMMITTEE

Student: _____

A. This form has two functions: To identify the composition of the Qualifying Examination committee and to report the results of the qualifying examination. At the end of a successful completion of the written and oral examination, a signed copy of this form, when provided to the Graduate Program Coordinator, will also initiate recommendation to Rackham Records Office for admission to candidacy. If the form indicates a **conditional pass**, the conditions must be met before the student will be recommended to advance to candidacy.

	Date	Outcome **	If conditional pass, list additional requirements below
Written Examination			
Oral Examination			

** Options are (1) **Pass**; (2) **Fail**; (3) **Conditional pass**. Conditional pass indicates that some elements of the exam were not adequate to earn a Pass, but the sense of the committee is that this may be remedied with additional work. These additional requirements must be listed above. Notify the Graduate Program Coordinator by email when these conditions have been met so that the student can be advanced to candidacy.
