

Kinesiology Bulletin addendum

Effective 2002-03 academic year

These curriculum changes were approved and implemented after the Kinesiology Bulletin was published in Summer 2002

Date	Dept	Action
Sep-02	SMC	"Sport Management and Communication" changed to "Sport Management"
Nov-02	General	There is now an approved appeal process for denied petitions
Nov-02	General	Students must complete the Independent Study Form as a way to trace unique academic experiences they have had as students in Kinesiology
Nov-02	General	All 10 independent study credits may be taken in Kinesiology. Credits taken outside Kinesiology will require faculty "awareness"
Nov-02	MVS	MOVESCI 230 will be cross-listed with Biomedical Engineering
Nov-02	SMC	SPTMGMTTC curriculum changes agreed upon: Both Sport Ethics and Race & Ethnicity in Sport will be required; SPTMGMTTC 403 Internship course credit changed to 1-3; Credits given for Integrative Field Experience will be 3; Number of experiential course credits not to exceed 3 for all such courses.
Dec-02	MVS	MOVESCI 310 is not allowed as a substitution for Anatomy 401 or Physiology 201. Students may substitute a combined course taken at another institution with approval
Jan-03	SMC	New SM curriculum will be required for the incoming freshman class for 2003
May-03	SMC	The London Program offered by U of Memphis changed from 6 credit hours to 3 credit

Dept. Codes:

AT = Athletic Training

MVS/MOVESCI = Movement Science

PE/PHYSED = Physical Education

SM/SMC/SPTMGMTTC = Sports Management
& Communication / Sport Management

KIN/KINESLGY = Kinesiology (graduate level)
