

Instructions for MDDP Or Individualized Joint Degree Program

Office of Undergraduate Student Affairs ~ 555 S. Forest Ave. ~ Ann Arbor, MI 48109 ~ 734.764.4472

Students may choose to pursue a Kinesiology undergraduate degree and a second undergraduate degree from another U-M college/school such as the College of Literature, Science and the Arts, the Ross School of Business (*Sport Management majors only*), School of Music, Theatre & Dance, or the School of Art and Design. Students must meet the degree requirements of both schools, must earn a minimum of 150 (as opposed to 120 or 130 HF) credits, and must be admitted to both units and programs.

Students should identify dual degree interest as early as possible. Although the basic requirements are summarized below, students should consult academic advisors associated with the various programs. For programs that require a second level application (Sport Management and Athletic Training), dual degrees will only be approved once the student is admitted to the second level of the program.

Dual degree requests are formally submitted in writing and require the approval (signatures) of each program/concentration advisor and the dean (or designated representative) for each school/college. Students should provide a copy of their Academic Records (unofficial transcript) and discuss the rationale for pursuing two degrees when meeting with their advisors. Return a completed **Multiple Dependent Degree Program (MDDP) form** to the OUSA office, 555 S. Forest (garden level). For students intending to pursue the dual degree between Sport Management and the Ross School of Business, please refer to the Sport Management section of this Bulletin for more information.

A student may also be interested in a joint degree program with the College of Literature, Science, and the Arts. A minimum of 30 credits must have been completed on the Ann Arbor campus before a student may apply for an individualized joint degree program with LSA, and the cumulative grade point average for work completed on the Ann Arbor campus must be 3.0 or better. The Assistant Dean for Academic Programs and Director of the Office of Student Services must approve any exception to these requirements.

Additional requirements and application procedures may apply depending on the agreement between the other school or college and Kinesiology. Students should speak to their academic advisor in the Office of Undergraduate Student Affairs if interested in obtaining a MDDP and bring the signed MDDP form to that meeting.

Application for MDDP Or Individualized Joint Degree Program

Office of Undergraduate Student Affairs ~ 555 S. Forest Ave. ~ Ann Arbor, MI 48109 ~ 734.764.4472
