**Movement Science courses previously taken (Course Number, Title and Instructor):**

**Movement Science Course in which you are Currently Enrolled:**

**Research Interests:** Please describe the research interests that you would like to pursue in your Honors Thesis. You do not need to define a specific topic and you may have several areas of interest. The more you can articulate your interests, the better. Whatever you write here does not commit you to that topic; you can always change your mind. Attach paper if you need more space.

**Writing Sample:** Attach a one-page essay describing your academic career goals and your reasons for selecting a degree in Movement Science.
