

2022 Kinesiology Commencement Student **Singer Application**

Graduation is an exciting and memorable time for you and the people in your lives who take pride in your accomplishments. Become a part of Kinesiology history by sharing your talent and leading us in song – including The Star Spangled Banner, The Yellow and Blue, and The Victors.

Undergraduate and graduate students who wish to be considered for this important honor need to submit a written statement and video as described below by **Monday, April 4, 2022**. Students are invited to apply as individuals or duos. The singer(s) will be chosen by the commencement committee.

Part I.

Submit a written explanation (maximum 1 page) of why you would like to be the student commencement singer(s). Include your name, the term you will graduate or have graduated, major/program, and e-mail address for all applicants (this page should serve as the top page of your application packet). You may include your GPA, activities, honors, awards or anything else that will enhance your application.

Part II.

Submit a video of yourself or your duo singing the national anthem. This may be taken on your mobile phone, tablet, or computer. It does not need to be of professional quality.

Please email both parts to Deveny Rosebrock at deverose@umich.edu by **Monday, April 4, 2022.**
